

NEW

The Mahindra Pik Up. Now assembled in South Africa.

At home in South Africa

Mahindra
Rise.

smart and

The Next Generation Mahindra Pik Up double-cab has been designed without compromise to be practical and strong, and to deliver at every level. Generous on power and with superb reliability, its 1000 kg maximum payload¹ and 2500 kg braked towing capacity provide the Pik Up with impeccable working credentials. It has all the essential comforts and technological advances you would expect, from the four-speaker touchscreen infotainment centre with Bluetooth connectivity for your phone, through to static bending headlamps that help you to see around dark corners. This comes with a contemporary new look that includes a restyled signature Mahindra front grille with chrome inserts, dual projector headlamps with 'eyebrow' LED running lamps, an integrated air-scoop in the bonnet, and tough new wrap-around bumpers.

COMES FULLY LOADED WITH FEATURES.

strong.

The Next Generation Mahindra Pik Up is powered by Mahindra's legendary 2.2 litre, 4-cylinder mHawk turbo-diesel engine. The new six-speed transmission delivers an impressive 103 kW of power and 320 Nm of torque, providing effortless acceleration and all the muscle you could ever need. The updated engineering is more fuel efficient too, and low on CO2 emissions - a hallmark of Mahindra's cutting-edge technology.

The Pik Up's Mechanical Locking Differential (MLD) is manufactured by the world renowned Eaton Corporation with its 'shift-on-the-fly' functionality further enhancing its off-road capabilities. It provides full axle lock automatically when needed without any manual intervention, providing the optimum traction for your situation.

1 - Payload: 4X2 = 1095 kg, 4X4 = 995 kg

01 - The legendary mHawk turbo-diesel engine.

02 - Dual projector headlamps with LED eyebrow running lamps.

03 - The restyled signature grille.

04 - The six-speed gearbox provides ample power whenever you need it.

05 - Tough new wrap-around bumpers.

CONVENIENCE, CONTROL AND SOPHISTICATION

responsive

The Next Generation Mahindra Pik Up responds to your every need with luxurious interiors, and is loaded with features including the touch screen infotainment system with GPS navigation, Bluetooth, CD/DVD, and with USB/AUX support.

The management system provides vehicle related information at your fingertips while the automatic temperature control will maintain the cabin just as you like it. On the driver's side the easy to read

instrument cluster keeps you in-tune with the vital statistics of your drive and journey, and the new steering wheel incorporates cruise control, audio and telephone controls to keep your hands where they should be. Other advances include the introduction of Micro-hybrid technology that

enables the engine to intelligently switch into standby mode when not in use, saving both on fuel and the environment. Rain and light sensors automatically turn the lights on in adverse lighting conditions and your wipers on in the rain. The driver's seat is fully height adjustable to ensure your perfect comfort and ride position.

09

06 - The touchscreen infotainment centre provides GPS navigation, Bluetooth, CD/DVD, USB/AUX support as well as providing an interface with the vehicle management system.

07 - Essential controls for phone, audio and cruise functions are at your fingertips on the steering wheel, keeping your hands where they should be.

08 - 12V charging points are available in both the front and back rows.

09 - Dual airbags for driver and passenger.

safe

On the performance front, new Cushion Suspension and Anti-Roll Technology provide unparalleled stability and road holding, while ABS (anti-lock braking system) with EBD (electronic brake distribution) will keep you in control in hazardous situations.

Additional safety aspects of the Pik Up include dual front airbags and side impact protection bars. On the security front, the engine immobiliser includes an encrypted key recognition system that will reject any foreign key accessing the vehicle. This is further supported by the anti-theft warning system to protect against illegal entry.

A comprehensive range of high quality accessories is available to enhance your vehicle - providing you with all that you could possibly need to go wherever your wanderlust takes you and ensuring you look the part, too. Ask your dealer for more details.

10 - Rear replacement bumper with towbar.

11 - Front replacement bumper with winch mounting plate.

12 - Rock-slider.

ABS with EBD will keep you in control when you think you're losing control
