INGSSABE JESIGN

The All-New Scorpio-N is what you get when aspiration meets attitude. When sophistication meets performance. And when urban meets style. Designed with a larger-than-life persona and a towering new look, when the all-new Scorpio-N is present, everyone senses it.

The All-New Scorpio-N is an intuitive, immersive, and enjoyable SUV to drive and own.

THRILLING PERFORMANCE

Get ready for a superior driving experience
because when you get riding with your
all-new Scorpio-N, you will experience
thrill in an all-new manner. With its
excellent transmission, drivability and a
high-performance engine, the Scorpio-N
performs to outperform.

Thrilling Performance

The All-New Scorpio-N is engineered for those looking for a new-age authentic SUV.

Say High to Power

Power runs in Scorpio-N's veins and it delivers a performance that is synonymous with the Scorpio DNA.

- » 2.2l mHawk Diesel engine
- » 128.6 kW with 400 Nm torque Scorpio-N doesn't waste time when it comes to dominating the streets.

Gear Up Effortlessly

The engine comes with a 6-speed automatic transmission equipped with the segment first 'shift-by-cable' technology to offer excellent shift quality and drive comfort

Choose Your Drive

Scorpio-N offers three distinct drive modes. **Zip** for easy control and smooth riding, especially through traffic. **Zap** for a true Mahindra SUV performance. **Zoom** to amp it up for a more engaging and potent drive quality.*

Strong From Scratch

This 'engineered from scratch' platform gives Scorpio-N an agile structure that intimidates everyone else. The strong yet efficient "next generation 3G frame" whose bending and torsional stiffness is significantly improved to provide a world-class structural rigidity, off-roading capability and impressive high-speed stability. Moreover, the high-strength steel make is designed to give added muscle to the whole body and frame.

No Slipping

Mechanical and brake locking differential that electronically locks up all axles in slippery conditions for maximum traction. Electronically controlled BLD arrests slip at each axle to ensure progress, no matter what.

Come What May

6 Airbags to protect you from every angle. The front, side and curtain airbags ensure the utmost safety of every occupant.

Never Not Safe

The Driver Drowsiness Detector triggers an audio-visual alert to the driver if he feels drowsy while driving.

Stability

Electronic Stability Control (ESC) suite packed with 18 features maintain complete control during steep turns, high speed, and panic braking.

Ready & Steady

Uphill ride or downhill descent, it's no worry with Scorpio-N. Hill Hold to hold it from rolling back, in case you've stopped uphill. And Descent Control to limit its speed without your input when going down hill on a steep slope.

Everyone's Safe

ISOFIX enhances safety when riding with children in the all new Scorpio-N.

Brake Right

When the Scorpio-N needs to stop, it does so with precision.
Thanks to ABS and EBD coupled with all 4-disc brakes on it.

Monitors Danger

The state-of-the-art tyre pressure monitoring systems keep the tyre pressure and temperature in check. And alerts you to keep you averse from danger.

- » 8" touch screen Infotainment system with android auto
- » Sony sound system with 12 speakers fully immerse yourself!
- » Dual zone Full Auto Temperature Controller (FATC) with smart clean zone
 - » Dual camera

The interiors of the Scorpio-N are designed and fettled to offer a highly sophisticated sensation, delighting the driver and passengers alike.

- » 6-way power adjustable driver seat whether you like a low tucked-in seat or a high view of the road, your choice.
- » 7-seater versatility
- » Dual zone FATC (full auto temperature controller) with smart clean zone.
